

## ICAP Side Event at United Nations Climate Change Conference (COP16) in Cancun, Mexico

### **Recent Developments and Prospects for ETS Around the World**

**Monday, 6 December 2010, 6 – 8 pm  
EU Pavilion, Hall D, Cancunmesse**

This event will present ICAP's current and future activities contributing to the establishment of a well-functioning global carbon market and the development of well-designed and compatible domestic ETS. International experts will present and discuss recent developments in existing ETS and new developments regarding prospects for ETS in emerging economies and developing countries, including capacity building needs for enhancing their participation in the global carbon market.

# Program

## 1. Welcome

**Jeremy Hewitt**, representing the Chair of the ICAP Steering Committee, Climate Action Secretariat, Province of British Columbia, Canada

## 2. ICAP and Its Program of Activities for 2010/11

**Tobias Hausotter**, ICAP Project Manager

## 3. Panel Discussion

International experts will present and discuss new developments regarding emissions trading around the world. Special emphasis will be placed on the prospects for ETS in emerging economies and developing countries, including capacity building needs for enhancing their participation in the global carbon market.

The panel discussion will be moderated by Jared Snyder, Assistant Commissioner, Air Resources, Climate Change and Energy, New York State Department of Environmental Conservation, USA. Panelists include:

- **Dr. Felix Chr. Matthes**, Öko Institute, Germany
- **H.E. Vice-Minister Eldana Sadvakasova**, Ministry of Environmental Protection, Kazakhstan
- **Irina Yesserkepova**, Vice General Director on Scientific Research, Kazakh Research Institute of Environmental Monitoring and Climate, Kazakhstan
- **Carlos Muñoz Piña**, Director General for Research in Environmental Economics and Policy, National Institute of Ecology (INE), Mexico

## 4. Closing Speech

**Jared Snyder**, Assistant Commissioner, Air Resources, Climate Change and Energy, New York State Department of Environmental Conservation, USA

The event will be followed by a reception.
